LANGUAGE TUTORING PROGRAM

The Language Tutoring Program (LTP) is designed to connect foreign students with Dankook students and provide a venue for exchanging language and culture. If selected as a tutor, exchange students will have a small group of 5 Dankook students as their tutees and give them a three-hour conversation class every week. Through this program, students will not only have experience of teaching their language, but also be given opportunities to get acquainted with more Dankook students and involved with the Korean school life. Upon successful completion, tutor students will be awarded a free on-campus accommodation for the semester.
